Internships are completed in the senior year and while in residency at AUK. Priority is given to graduating students. For the duration of the semester, students are responsible for working 42 hours per semester for each credit hour. Students are to refer to the College's Internship Handbook for further details of the internship process, requirements, and method of assessment.

Common Capstone BUS 490 (3 credit hours)

All BBA students are required to complete the Common Business Administration Capstone course. This course uses case studies to integrate material from the different business subjects learned in the BBA program. The capstone requires senior standing and substantial completion of the common core.

Free Electives (9 credit hours)

Students must take adequate and sufficient electives to complete the 120 credit hour requirements for graduation and are strongly advised to consult with their academic advisor when choosing their free electives.

BACHELOR OF BUSINESS ADMINISTRATION IN ACCOUNTING

Accounting is at the heart of every company and essentially functions as the “measuring stick” for all business transactions. The department’s primary objective for the accounting program is to expose students to the many facets of accounting. It provides accounting and business knowledge about practical and conceptual accounting and the use of accounting information for effective managerial decision-making. The program prepares students for careers in private, public, and non-profit organizations. It also provides a solid undergraduate foundation for students interested in graduate programs in accounting or other fields of study. The Department of Accounting reviews its curriculum on a regular basis to meet dynamic changes occurring in the accounting profession and business—both local and international.

Accounting major students have the choice to continue with their education by pursuing a master’s degree program or professional designations such as the Certified Public Accountant (CPA) to complement their degree and to make them highly attractive for a job anywhere in the world.

MISSION STATEMENT

The department’s mission is to produce accounting graduates who have the academic and professional base of knowledge to meet real world challenges.

VISION

The department’s vision is that it be recognized for its excellence in teaching, accounting research, and professional services.

VALUES

- Appreciation of diversity of people and perspectives.
- Commitment to excellence in teaching.
- Concern for students and emphasis on the need for accounting students to learn to think critically and communicate effectively.
- Integrity and ethics.
- Global orientation.

LEARNING OUTCOMES

In addition to the BBA learning outcomes, students graduating with a BBA in Accounting will be able to:

- Construct, interpret, compare, and audit annual financial statements.
- Use key financial and nonfinancial measures to evaluate performance.

- Apply International Financial Reporting Standards and US GAAP.
- Assume the role of a professional accountant in compliance with local and international regulatory authorities.
- Integrate ethical standards in financial and managerial accounting and auditing practices and overcome impediments to ethical behavior.
- Present different costing methods applied in manufacturing and service industries.
- Design, use, and maintain accounting information systems to substantiate decisions.

BACHELOR OF BUSINESS ADMINISTRATION IN ECONOMICS

Economics is the science of making choices in allocating scarce resources for consumption, production, and distribution of goods and services. It endeavors to rationally understand the behaviors of decision-makers and how these behaviors can be changed. Decision-makers are called upon to make these choices within various institutional settings such as households, firms, financial institutions, and governments. Economics emphasizes the use of problem-solving skills and applies quantitative methods of analysis to investigate choices-constrained maximization to satisfy human needs. It provides the skills to assess market fluctuations by identifying correlative factors and determine their impacts on various economic sectors.

Careers in economics span a broad range of sectors such as financial, environmental, political, education, and research. Graduates in economics are sought by financial institutions, insurance companies, international businesses, and non-business organizations and governments. Many graduates elect to pursue graduate education to improve their knowledge and skill to perform complex economic analyses and provide information necessary to formulate business strategies and develop public policies. The BBA in Economics complements other business concentrations and related social sciences to provide a strong undergraduate foundation for graduate studies in economics and other related disciplines.

MISSION STATEMENT

The Bachelor of Business Administration in Economics creates intellectual capital for knowledge-based sustainable economy. Through rigorous teaching, innovation and research, the program engages faculty, students, and the business community to provide a solid economic foundation in theory and practice for sound business decisions. The program prepares students for professional careers in a vastly changing and challenging global economy.

VISION

The Bachelor of Business Administration in Economics is to be recognized for its research, informed teaching and learning, and active engagement with the business community.

VALUES

The Bachelor of Business Administration in Economics is guided by the following values:

- Dedication to liberal arts education.
- Lifelong pursuit of learning.
- Innovation and continued excellence in teaching.
- Social responsibility, moral, and ethical integrity.
- Respect for freedom of thought and expression.
- Interdisciplinary and cross-disciplinary collaboration.

LEARNING OUTCOMES

In addition to the BBA learning outcomes, upon completion of the BBA in Economics, students will be able to:

- Attain a broad understanding of the core economic functions at micro and macro levels.
- Demonstrate ability to characterize problems, recognize role of assumptions and apply analytical skills to solve business and economic problems.
- Utilize information technology in data analysis in support of decisions.
- Recognize ethical dimensions and social responsibility in economic decision-making.

BACHELOR OF BUSINESS ADMINISTRATION IN HUMAN RESOURCE MANAGEMENT

A major in Human Resource Management (HRM) is the foundation of a career that has the potential for enabling a meaningful and positive impact on the health, well-being, and achievements of working individuals where human talent increasingly becomes a contributing factor for achieving a competitive business advantage. HRM plays a central role in this process by attracting, retaining, and developing human capital in organizations. HRM coursework focuses on developing a combination of professionally specific skills as well as soft skills critically needed for success in all business fields including management, marketing, accounting, and finance. Furthermore, human talent increasingly accounts for competitive business advantages. HRM plays a central role in this process by attracting, retaining, and developing human capital in organizations.

LEARNING OUTCOMES

Upon completion of the AUK major in human resource management, the student will be able to:

- Effectively manage and plan key human resource functions within organizations.
- Examine current issues, trends, practices, and processes in HRM.
- Contribute to employee performance management and organizational effectiveness.
- Problem-solve human resource challenges.
- Identify and develop employability skills for the Kuwaiti workplace.
- Become a meaningful change agent.
- Demonstrate effective written and oral communication skills.

The human resource management (HRM) major is a challenging program that prepares students to become more effective managers and leaders. HRM professionals are the “employee relations” specialists in organizations, managing employee planning, recruitment, selection, compensation, training and development, health and safety, and evaluation. They are also active in labor relations taking the lead in union contract negotiations, grievance handling, including mediation and arbitration, and all other employee-related legal matters such as wrongful dismissal, personal harassment, or privacy.

Increasing numbers of graduates are deciding to earn their Certified Human Resource Professional (CHRP) designation reflecting the rising level of professionalism in the field. After acquiring some needed work experience, students will be well prepared to complete a graduate degree in either HRM or labor relations on the path to a position in senior management or a career in teaching and research at a college or university level.

BBA students pursuing the HRM major are required to complete 24 credit hours that include the following:

PSYC 332	Personality Theories	(3)
BEAL 403	Corporate Governance and Ethics	(3)

BACHELOR OF BUSINESS ADMINISTRATION IN MANAGEMENT

Management today is an exacting, challenging, and exciting field. Management systems play an essential role in powering the economy, and management decisions and practices can have substantial impact on individual lives. The management major allows students to learn strategies, techniques, and ethics for effective organization. The required courses—Quality Management; Change Management; Decision-Making in Management; Organizational Behavior; Organizational Communication and Leadership Management—provide students with an essential foundation for effective management skills and employability. Failure to master the art and science of management could result in the function of management becoming a contingent liability. The entrepreneurial approach to management education opens opportunities for creativity and initiation of new businesses. Flexibility in dynamic environments and exploitation of business opportunities are addressed in the study of Change Management. The human element in business is fundamental to success yet is often seen as difficult to manage. In response to this dilemma, the course in Organizational Behavior explores theories and perspectives on human behavior in organizations that lend an understanding of this complex aspect of business. The program focuses on achieving competitive advantage by improving efficiency and customer experiences. Management skills are in high demand worldwide. A degree in management opens employment possibilities in a broad range of industries as well as in the non-profit sector of the economy.

MISSION STATEMENT

The focus is on preparing students for business in Kuwait, the Arabian Gulf, the Arab World, and internationally. Working together with the College of Business and Economics, the Management Department provides a rigorous program that fosters excellence in teaching, scholarship, and disseminates socially responsible practices to advance societies.

VISION

The management major is to be recognized locally, regionally, and internationally for its distinctiveness, academic excellence, and accomplishments.

VALUES

- Freedom of thought, expression, and intellectual inquiry.
- Respect for individual identity and rights, and cultural diversity.
- Commitment to high standards of morality, integrity, and social responsibility.
- Adherence to high professional standards and ethics.

LEARNING OUTCOMES

In addition to the BBA learning outcomes, upon completion of the BBA in Management students will be able to:

- Demonstrate an understanding of planning, leading, organizing, and controlling as managerial functions.
- Assess managerial responses to motivation theories and formulate managerial decisions.
- Assess alternative corporate policies and use ethical dimensions and social responsibility in management activities.
- Structure cross-disciplinary teams to carry out necessary projects.

MINORS IN THE COLLEGE OF BUSINESS AND ECONOMICS

Students may elect to complement their major with a minor, defined as specialization in a discipline outside their chosen major. Students choosing to add a minor in one of the following areas should consult an academic advisor in the appropriate discipline.

The College oversees the following minors:

- Business Administration (for non-business majors)
- Economics
- Human Resource Management

The minor in business administration is designed for students majoring in any of AUK's degree programs (BA, BE, or BS) except the BBA degree programs in Accounting, Economics, Finance, Management, and Marketing.

The minor in human resource management is designed for students majoring in any of AUK's degree programs.

GENERAL DEGREE REQUIREMENTS FOR A MINOR

Students may pursue one minor only. All AUK minor programs consist of a minimum of 18 credit hours, at least 9 credit hours of which must be taken in residence at AUK. No more than 9 credit hours earned from the major or general education requirements may apply towards any one minor.

MINOR IN BUSINESS ADMINISTRATION PROGRAM PURPOSE

This minor is designed to provide non-business majors the opportunity to complement their undergraduate education with an understanding of business administration.

PROGRAM REQUIREMENTS

The program requires students to complete six courses (18 credits) comprised of four core courses and two electives. The program may be completed in three consecutive semesters. Commencing in the student's junior year, the four core courses provide students with a balanced and integrated exposure to key functional areas in business and ways of thinking about, and analyzing, the world from a responsible business perspective. The two electives provide students the opportunity to develop knowledge in or explore a specific aspect of business of their choice.

REQUIRED CORE COURSES (12 CREDIT HOURS)

The program requires students to complete six courses (18 credit hours). Ideally, the courses must be selected from the twelve courses (36 credit hours) designated as BBA core courses. Notwithstanding this, at least 2 courses (6 credit hours) must be from the upper-level courses in business designated 300 or above with prefix ACCT; BEAL; BUS; ECON; ENTR; HR; MGMT; and MRKT.

BBA Core Courses

Lower-Level Courses (Total Credits)

ACCT 201	Principles of Financial Accounting	(3)
ACCT 205	Managerial Accounting	(3)
BUS 209	Data Analytics 1	(3)
ECON 200	Principles of Microeconomics	(3)
ECON 201	Principles of Macroeconomics	(3)
FINC 232	Financial Management	(3)
MGMT 201	Principles of Management	(3)
MRKT 200	Principles of Marketing	(3)

Upper-Level Courses (Total Credits) 12

BEAL 401	Legal & Ethical Issues in Business	(3)
BUS 321	International Business Management	(3)
ENTR 313	Managing Entrepreneurial Ventures	(3)
MGMT 346	Production & Operations Management	(3)

MINOR IN ECONOMICS

A minor in economics acquaints students with economic knowledge that will be complementary to business and non-business majors. In a vastly transforming and globalizing world, an economics minor improves our understanding of economic, political, and social events and the context in which they develop. It also enhances one's analytical and decision-making competence in the realm of business and even on a personal level.

PROGRAM REQUIREMENTS

Students must complete six courses (18 credit hours) for the minor. In terms of the University program requirements, students may pursue one minor only. All AUK minor programs consist of a minimum of 18 credit hours, at least 9 credit hours of which must be taken in residence at AUK. No more than 9 credit hours earned from the major or general education requirements may apply towards any one minor.

Required Core Courses (6 credit hours)

The following two courses (6 credit hours) are core courses for the economics minor:

ECON 200	Principles of Microeconomics	(3)
ECON 201	Principles of Macroeconomics	(3)

Electives (12 credit hours)

In addition, students must choose, in consultation with their academic advisor, four courses (12 credit hours) from among the following:

ECON 302	Quantitative Methods for Business and Economics	(3)
ECON 304	Economics of Labor	(3)
ECON 305	International Economics	(3)
ECON 310	Intermediate Microeconomics	(3)

ECON 312	Intermediate Macroeconomics	(3)
ECON 315	Managerial Economics	(3)
ECON 351	Money and Banking	(3)
ECON 363	Environmental & Resource Economics	(3)
ECON 369	Short Course	(1-3)
ECON 389	Special Topics	(3)
ECON 405	Comparative Economic Systems	(3)
ECON 409	Economic Development	(3)
ECON 429	Environmental & Energy Policy	(3)
ECON 452	Econometrics	(3)
ECON 485	Seminar in Economics	(3)

Notwithstanding the electives offered above, students may opt to pursue at most 2 courses (6 credit hours) in two non-economic related courses at the 300-level or above. These courses may include at most two of the following:

BUS 389	Special Topics in Business	(3)
BUS 489	Interdisciplinary Honors Seminar	(3)
PLSC 302	Public Policy	(3) [S]
PLSC 306	Global Political Economy	(3) [S]

ENVS 320	Global Environment Policy	(3) [S]
IR 309	Dynamics of Globalization	(3) [S]
IR 339	International Organizations	(3) [S]
IR 405	Comparative Economic and Political Systems	(3)

MINOR IN HUMAN RESOURCE MANAGEMENT

This interdisciplinary minor seeks to develop well-rounded graduates with personal qualities and skills that extend beyond familiarity with current HR practices to include a sound understanding of social, behavioral, and political sciences. It seeks to develop graduates who can think critically, act ethically, and meet the challenges of an ever-changing environment.

The minor is structured with a small core—comprised of courses in Human Resource Management, Organizational Behavior, and Work and Well-being—embedded in a selection of electives reflecting a traditional liberal arts and interdisciplinary curriculum. The electives include courses from such disciplines as economics, international relations, political science, psychology, and the behavioral sciences.

Because an interdisciplinary background is especially appropriate for positions in HR, this minor is ideal for students majoring in one of the social science programs as well as those majoring in business. The minor is for those who want to pursue careers in business, government, and/or educational institutions.

LEARNING OUTCOMES

- Upon completion of the minor in human resource management the student will be able to:
- Discuss the importance of thinking systematically and strategically about managing human assets.
- Explain how cultures frame options open to human resource managers around the world.

- Formulate, implement, and evaluate human resource policies and procedures.
