PERSONAL ESSAY:

The essay question is used to determine serious interest in attending AUK and to learn more about our applicants. We seek to admit students who have a strong commitment to being a member of our University community. The Admissions Committee will also use your essay to determine your ability to organize your thoughts and express yourself clearly.

Compose in English (must be typed) and attach your essay on the topic given below (no more than 500 words). No hand written essays will be accepted. Intensive English applicants should try to answer the question in English to the best of their ability.

ESSAY TOPIC:

Describe what motivated you to apply to AUK, how you feel your academic career here will help you achieve your future goals, and in what ways you think your presence will benefit and enhance AUK's community. Feel free to include any additional information about yourself that may not have been adequately addressed in any section of your application, and that you consider to be important.

The information provided in this application is complete and accurate to the best of my knowledge. I realize that withholding information or providing false information, forged documents or false representation of information is in violation of institutional standards of behavior and may result in the rejection of my application, my admission being rescinded, disciplinary action and dismissal from the University. I understand that all credentials submitted in support of this application become the property of the University and are not returnable.

Congratulations on completing your application for admission into the American University of Kuwait (AUK). If you are admitted into AUK, your undergraduate admission will remain conditional pending completion and sufficient academic progress in your current enrolled coursework.

The Council of Private Universities has decreed that all students who attended private schools and seeking admission to private universities in Kuwait are **required** to have their final high school diploma/transcript certified by Kuwait's Ministry of Education indicating that their high school diploma/transcript meets Kuwait's high school equivalency requirements.

If you submit a final transcript that no longer meets AUK's admission requirements, fail to meet the Ministry of Education's equivalency requirements, or if you cannot provide a final high school transcript certified by the Ministry of Education, your acceptance to AUK will be rescinded and you will be prevented from continuing your studies at AUK until you have satisfied these requirements. Students who have their admission to the American University of Kuwait rescinded for failing to satisfy these requirements will not be entitled to any refund of their tuition or University fees.

If you have any final records which remain outstanding, you should make arrangements to have these sent to the Office of Admissions as soon as possible. Should you have any questions, please do not hesitate to contact the Office of Admissions by telephone at: **1-802040 or (+965) 2-2248399 Ext. 206** or via e-mail at **admissions@auk.edu.kw**.

Before you are allowed to register for undergraduate classes at the American University of Kuwait, please complete, sign and return this document to the Office of Admissions. We recommend that you keep a copy of this document for your records.

I have read the terms of this document and I understand that my admission to the American University of Kuwait is conditional, that I am responsible for satisfying all AUK admission requirements, and that I must provide my final high school transcript certified by the Kuwait Ministry of Education before my admission to the American University of Kuwait can be completed. I agree to complete all admission requirements before the end of my first semester. I understand that failure to satisfy these requirements will result in cancellation of my admission to the American University of Kuwait.
