## TOEFL Preparation Course

If you are planning to study abroad, or join the American University of Kuwait the TOEFL test is the test that can take you there.

In fact, more institutions accept TOEFL test scores than any other test scores in the world – more than 6,000 colleges, universities and licensing agencies in 136 countries, to be exact.

The TOEFL iBT measures how well you read, write, listen and speak English in a university classroom setting.

No matter where in the world you want to study, the TOEFL test can help get you there. Passing the TOEFL exam will make you eligible for admission to virtually any institution in the world including the top colleges and universities in the United States, Canada, the United Kingdom, Australia, New Zealand and the American University of Kuwait.

### TOEFL Preparation Course Outline:
