

Dear Manager,

You are invited to the 6th Annual Health Fair at the American University of Kuwait on November 2 from 1-4pm. This exhibition is for hotels, spas, gyms, restaurants, organic stores, hospitals, clinics, and health related societies and is one of the most popular events on campus. You are invited to participate by providing free checkups, or by distributing health education literature, samples of healthy products, brochures, and fliers describing why your products and services are healthy. Space is also available for performances and demonstrations. We expect more than 1500 students, staff, and faculty to attend the Health Fair.

AUK students are required to enroll in a Health and Fitness class that educates them about healthy lifestyle choices. We believe that your business is a perfect example of how our students can use local resources to apply this new knowledge to create healthier, happier lives.

A complimentary table, table cloth, and 2 chairs will be provided for you. Electricity and technical support is also available if needed.

In order to have your business advertised during the event, you may donate merchandise, vouchers, memberships, or other prizes for the raffle draw.

Please fill in the RSVP information below and email or fax the response by October 25th to reserve your table at this popular event. I can be reached at 2224-8399 ext 361 or jsullivan@auk.edu.kw if you have further questions.

Sincerely,

Jason Sullivan MA
Counselor AUK
