

IELTS FAST TRACK

The International English Language Testing System (IELTS) is globally recognized as the leading test of English proficiency in the world. This test is accepted by thousands of universities around the world and is often a mandatory visa requirement for those seeking to emigrate to English-speaking countries, including Australia, New Zealand, UK, US and Canada.

The IELTS has four sections: listening, speaking, reading and writing, where the test is scored out of 9, with 9 being the highest attainable score and 0 being the lowest. This Fast-Track IELTS Exam Preparation course helps prepare students for all four modules of the IELTS test.

It includes a mock exam prior to the course to gauge learners' initial level at the start of the course, followed by intensive training on test-taking techniques and strategies with comprehensive practice throughout. Participants will be provided with:

- A lesson plan for each week of the program
- A study plan
- An online post-test, so that they can assess their progress and identify areas for further development if required.

Requirements

- First-time IELTS applicants will be required to take the CCE-AUK Language Placement Test to confirm their suitability for the program, followed by an IELTS assessment to gauge their band score prior to the preparation course.
- Participants who have taken the exam before or who have a high level of English will take the IELTS mock exam to gauge their band from the beginning. Admission to the program will be subject to their being one band or less from their target score.
- Applicants who are more than one band below their target score will be advised to take English language training prior to attempting the IELTS test.
