# REVENUE CYCLE MANAGEMENT CERTIFICATE (RCM)

## ABOUT PROGRAM

Hospitals exist in a very uncertain time. Reimbursement risk runs high, and receiving payments from patients is not guaranteed. The ability to capture lost revenue and improve the ability to forecast actual revenue received to the budget is necessary for hospitals' and other service providers' survival and vitality.

Here comes the Revenue Cycle Management, to improve the patient accounting practices towards error free profitable billing, smart occupancy management, and economic utilization of hospital recourses.
