About the **AMERICAN UNIVERSITY OF KUWAIT**

The American University of Kuwait (AUK) is an independent, private, equal opportunity, and coeducational liberal arts institution of higher education. The educational, cultural, and administrative structure, methods and standards of AUK are based on the American model of higher learning. The language of instruction is English.

Established by Amiri Decree 139 in 2003, AUK received its Institutional Accreditation from the Private Universities Council (PUC) – Ministry of Higher Education in the State of Kuwait, as of February 1, 2006.

UNIVERSITY CULTURE

The American University of Kuwait is committed to creating an enlightened and progressive educational culture in which all students, faculty, and staff – regardless of nationality, creed, or position – co-exist to create a dynamic and equitable environment. All members of AUK are expected to respect the diverse nature of the AUK community and interact in a manner that is respectful of such, and that supports a commitment to life-long learning and the pursuit of academic excellence in higher education. The university encourages the freedom to engage in academic inquiry and the fair exchange of ideas and supports open access to the dissemination of information.

The university founders uphold the philosophy that one cannot create a true enlightened academic environment without practicing the very virtues and ideals it hopes to instill in its students. In upholding the highest standards of professional behavior and ethical conduct among its faculty, staff, and students, the university hopes to create a community of scholars and students who will benefit from AUK's collegial atmosphere.

CODES OF CONDUCT

To sustain an environment that supports optimal learning opportunities and promotes personal growth, the American University of Kuwait expects all community members (students, faculty, and staff) to adhere to the guidelines and policies established by the institution. These guidelines and policies set forth the ethical standards and organizational values by which AUK operates as an institution of higher education.

The University Code of Conduct, Student Code of Conduct, and the Code of Academic Honesty and Integrity provide general explanations of community members' rights and responsibilities, outline acceptable and unacceptable behaviors, and describe specific disciplinary procedures and sanctions. For detailed information regarding the Codes of Conduct, students can refer to the **STUDENT CODES** section in this Handbook.

UNIVERSITY FACULTY

The faculty of the American University of Kuwait is a group of highly qualified and trained academics and professionals who are committed to high standards of teaching and proficient in the use of technology in teaching and research. Full-time teaching faculty members have acquired terminal degrees from renowned institutions in the United States and around the world, and are experienced in a variety of international systems of higher education. The AUK faculty is comprised of a diverse group of exceptionally talented teacher-scholars, several of whom have been awarded competitive fellowships and grants, such as the Fulbright.

CAMPUS ENVIRONMENT

The AUK Campus is located in Salmiya on Salem Al-Mubarak Street, in the center of one of Kuwait's most vibrant neighborhoods.

AUK opened its doors in the fall of 2004 and conducts its academic activity in a rehabilitated and refurbished campus, which will expand and develop as needed in the coming years. The campus has spacious, modern classrooms; computer, science, and language laboratories; an administration building; a state-of-the-art library; and cafes, restaurants, shops, and recreation courts. Next to the AUK Library and central campus classrooms are beautifully designed and landscaped central courtyard and garden, which serve as venues for some student activities, as well as offer shade and respite, providing AUK students, faculty, and staff a pleasant place to enjoy, relax, and study. In Spring 2017, the new four-story Student Center opened, featuring recreational, athletic, administrative, and academic-support facilities. The first two

floors of the building house an indoor multipurpose sport court, two gyms, and a running track. The upper two floors hold the administrative offices of the Division of Student Affairs and the Deanship of Academic Support Services, offices for clubs and organizations, along with a student lounge. There is also an outdoor tennis court on the rooftop.

Campus life is an integral part of a student's university experience at AUK, and helps to bring students, faculty, and staff together as one community. Students are encouraged to participate in campus events and use the resources available on campus to further enhance their educational experience at AUK.

Campus life contributes to making the time spent on campus a valuable learning experience for the students. Through both, classroom learning and extracurricular activities, AUK students learn the critical thinking skills, knowledge, and values needed to succeed effectively in today's modern societies; regional and international. Participating in extracurricular activities allows students to learn new skills and discover hidden talents, thus enhancing not only their educational experience, but also their personal development.

The university has a student government association, a student-run newspaper, a student journal, intramural and intercollegiate athletic clubs and organizations, theater programs, academic organizations, and other campus activities in which students can participate.

AUK's location in Salmiya adds an important dimension to campus life. It is located within walking distance of the country's most renowned restaurants, coffee shops, shopping malls, and movie theaters, as well as the seafront and the Scientific Center of Kuwait.

SEGREGATION

As per law no. 34 of 2000 on the "Establishment of Private Universities: in the State of Kuwait (Article 6)," private universities/colleges and branches of foreign universities shall abide by the following:

- Operate its buildings to ensure gender segregation in all departments, disciplines, and student activities.
- Observe Islamic values and time-honored traditions in relation to students' costumes and activities.

ACADEMIC FREEDOM

Universities exist to promote the free inquiry and exchange of ideas. At times, individuals may find that they object to a particular idea or its formulation. However, by embracing the free inquiry and exchange of ideas, the American University of Kuwait provides a space for frank and earnest debate. Academic freedom is the right granted to members of the University community to explore, investigate, test, and publish topics of their choosing, while respecting the bounds of academic honor.

The maintenance of such an open environment is difficult and contingent on active participation of all community members. A free exchange of ideas is not a license for personal attacks, slander, or libel. Likewise, individuals are expected not to impose their beliefs on other members of the University community through implied or explicit threats of violence.

FREEDOM OF EXPRESSION

Freedom of expression and an open environment within which to pursue scholarly inquiry and to share information are encouraged, supported, and protected at the American University of Kuwait.

Students, student organizations, faculty, and staff at AUK are free to examine and discuss all questions of interest and to express opinions publicly and privately. They should always be free to support causes by orderly means that do not disrupt the regular and essential operation of the University or community and are not in violation of Kuwaiti law. At the same time, it should be made clear to the academic and larger community that students or student organizations, and individual members of the faculty or staff, speak only for themselves, not for the University as an institution, in their public expressions or demonstrations.

AUK does not tolerate disruptive behavior at community events or on campus.

NON-DISCRIMINATION

As a liberal arts University charged with broadening the intellectual horizons of its students, the American University of Kuwait is committed to providing a quality education to all qualified students regardless of age, national origin, religion, or gender. The faculty and staff are hired and promoted without regard to these factors. All facilities and services are open for use by students, faculty, and staff in compliance with the laws of Kuwait.

A SAFE AND SUBSTANCE-FREE CAMPUS

AUK offers 24-hour security services to ensure the safety of its community. The laws of the country prohibit the consumption of alcoholic beverages and the use of drugs. AUK has a zero-tolerance policy concerning the use of alcohol or any narcotic substance, weapons and/or dangerous materials brought to campus or to any university-sanctioned event, and physical altercations. Any person who is found guilty of alcohol consumption, substance abuse, carrying and/or using weapons or dangerous materials, or participation in a physical altercation is subject to immediate removal from the university.

SMOKING POLICY

Smoking is not permitted at university building entrances, within university buildings, or in university vehicles. The main hallway connecting the Administration Building to the Sciences Building is also a smoke-free zone.

AUK and Dartmouth College

Dartmouth College in Hanover, New Hampshire, is the international partner institution to the American University of Kuwait (AUK), as defined by the Private Universities Council of the State of Kuwait (Resolution no. PUC (5/21-2/2005). Dartmouth and AUK have worked closely together since 2003, when the two institutions signed a Memorandum of Understanding that facilitated a series of advisory, consultative, and cooperative projects. The initial agreement was recently renewed for a third time in April 2013 to extend through 2018. The two institutions share a commitment to excellence in higher learning, and the agreement between them reflects AUK's growing stature as a premier academic institution in the Gulf region and beyond. With its deep and historic commitment to the liberal arts, Dartmouth recognizes the importance of AUK's mission and works to support the university as it develops a superlative education, based on the principles of critical inquiry, mastery of subject material, depth of curriculum, and a vibrant experience in the classroom and on campus.

Dartmouth and AUK collaborate on numerous programs, and Dartmouth, which includes the Thayer School of Engineering and the Tuck School of Business, provides a wide range of administrative and academic consulting services to AUK. The two institutions have developed a flourishing relationship that involves faculty, students, and staff in both locations. Dartmouth experts in engineering, information technology, library sciences, communications, governance, and other areas routinely visit Kuwait, while students, faculty, and staff from Kuwait travel to the United

States to work with their counterparts at Dartmouth. AUK's commitment to providing a premier learning environment based on the American model resonates with Dartmouth's history and its understanding of the importance of higher learning in a global context. Since the relationship began, the two institutions have steadily deepened and expanded their partnership, creating a dynamic, evolving, and unique cross-cultural collaboration.

Dartmouth College is a member of the group of universities in the United States known as the "Ivy League." It was founded in 1769 and offers a broad-based undergraduate education, as well as advanced degrees in the arts and sciences, medicine, engineering, and business administration. Dartmouth has been accredited by the New England Association of Schools and Colleges (NEASC) since 1929.
