University Culture

The American University of Kuwait is committed to creating an enlightened and progressive educational culture in which all students, faculty, and staff co-exist to create a dynamic and equitable environment. The University founders uphold the philosophy that one cannot create a true enlightened academic environment without practicing the very virtues and ideals it hopes to instill in its students.

Academics at AUK

Exchange students may enroll in a wide range of course from our 3 undergraduate schools (College of Arts and Sciences, College of Business and Economics, and the College of Engineering and Applied Sciences). The Liberal Arts education system aims not only to guide students to fulfill their educational goals, but to also instill effective critical thinking skills that they can apply in their future careers in the fields of their choice. Most students can enroll in these courses if they meet the pre-requirements (refer to AUK's course catalog on page 4).

International Student Programs: Bridging Borders with Education

International Student Programs provide students with transformative experiences and unique opportunities for growth, with the support of professional guidance and resources. In collaboration with partner universities, AUK offers its students opportunities to study or intern abroad, while opening its doors for incoming undergraduate and graduate students to study and intern on campus. AUK continues to set the standard for fostering global academic connections and promoting international education. The University proudly stands at the forefront of initiatives that bring students from abroad to its vibrant campus, offering unparalleled opportunities for cultural exchange and expanding the boundaries of education.
