Fall 2012

Stat 201 (lab) – three sections

Math 095 (lab) – six sections

Spring 2013

Stat 201 (lab) – three sections

Math 095 (lab) – three sections

Fall 2013

Math 095 (lab) – six sections

Fall 2015

Math 095 (3 credit hours) – two sections – 10 hours per week (lectures and office hours in total)

Stat 201 (3 credit hours) – one section – 2.5 hours per week (lectures and office hours in total)
Math 100 (3 credit hours) – one section – 2.5 hours per week

Spring 2016

Math 095 (3 credit hours) – two sections – 10 hours per week
Stat 201 (3 credit hours) – two sections – 10 hours per week

Spring 2017

Math 095 (3 credit hours) – two sections – 10 hours per week
Stat 201 (3 credit hours) – two sections – 10 hours per week

Summer 2017

Math 095 (3 credit hours) – one sections – 2.5 hours per week

Fall 2017

Math 095 (3 credit hours) – one section – 2.5 hours per week

Fall 2018

Stat 201 (3 credit hours) – one section – 2.5 hours per week

Spring 2019

Math 095 (3 credit hours) – three sections
Stat 201 (3 credit hours) – one section – 2.5 hours per week

Summer 2019

Stat201 (3 credit hours) – one section – 2.5 hours per week

Fall 2019

Math 095 (3 credit hours) – two sections – 10 hours per week
Math 100 (3 credit hours) – one section – 2.5 hours per week
Math 105 (3 credit hours) – one section – 2.5 hours per week

Spring 2020

Math 095 (3 credit hours) – two sections – 10 hours per week
Math 100 (3 credit hours) – one section – 2.5 hours per week
Math 105 (3 credit hours) – one section – 2.5 hours per week
Math 103 (3 credit hours) – one section – 2.5 hours per week

Summer 2020

Math100 (3 credit hours) – one section

Fall 2020

Math095 (3 credit hours) – two sections
Math100 (3 credit hours) – one section
Math105 (3 credit hours) – two sections

Spring 2021

Math100 (3 credit hours) – two sections
Math103 (3 credit hours) – two sections
Math105 (3 credit hours) – one section

Summer 2021

Math103 (3 credit hours) – one section

Stat201 (3 credit hours) – one section

6. Other Duties
