

# PROJECT MANAGEMENT PROFESSIONAL (PMP®)

This PMP® Exam preparation program will prepare you for the certification exam by reviewing the latest edition of the (PMBOK® Guide) in full detail, including the process groups, knowledge areas, and each of the PM processes.

This program will teach you about project management in detail so you can apply it in your own work and provide an opportunity for you to understand the scope of a project manager's duties. It also prepares you to sit for the PMP® Exam and have a higher chance of passing it on the first attempt.

## PMP Requirements
