Abdul-Mohsen Al-Rushaid emphasizes cybersecurity importance

NBK holds awareness session on electronic fraud & prevention measures for employees

KUWAIT CITY, June 6: National Bank of Kuwait (NBK) always seeks to intensify efforts to increase awareness on electronic fraud risks and protection methods among the public, as part of its continued participation in the "Let's Be Aware" campaign introduced by the Central Bank of Kuwait, in cooperation with Kuwait Banking Association (KBA), which aims to promote financial literacy and raise awareness about the role of the banking sector and ways to maximize the benefit from its various services.

In this context, NBK's Digital Communication team organized an awareness session for employees to highlight the latest forms of electronic fraud, the common methods used by scammers, and how to avoid falling victim to them.

Commenting on this, Abdul-Mohsen Al-Rushaid, AGM, Head of Digital Communications at National Bank of Kuwait said, "NBK aims to expand its efforts in spreading banking and financial awareness among all sectors of society, including employees, by familiarizing them with the latest forms of electronic fraud and how to steer clear of them, and highlighting how crucial is cybersecurity."

"The engagement was great, as employees enjoyed the session and gained valuable insights that will undoubtedly benefit them and customers as well, thus minimizing electronic fraud cases," he remarked.

"Such awareness activities help foster a fraud-resilient environment, which underscores our proactive approach in educating and empowering the public

information on fake trading platforms or accounts promising financial aids," he explained.

It is worth mentioning that NBK is a key promoter and participant in all CBK's campaigns and initiatives to increase financial and banking awareness among different sectors of society. The bank also ranked first in promoting the "Let's Be Aware" campaign in 2023 according to CBK, outperforming all local banks.

Alfouz draw offers mega annual prize

ABK unveils Mohammad Boshehri as winner of Alfouz KD 10,000 draw prize

KUWAIT CITY, June 6: Al Ahli Bank of Kuwait (ABK) announced Mohammad Yaqoub Boshehri, as the KD10,000 Alfouz weekly draw winner on Monday, 3 June 2024, whereby the draw was held under the supervision of the Ministry of Commerce and Industry.

Since its launch, the Alfouz account continues to offer an impressive weekly draw of KD10,000. The Bank has recently expanded its offering by adding a new alluring monthly draw of KD20,000, and an exceptional quarterly draw of KD100,000.

The account also retains its hallmark mega annual draw of KD5,000 monthly salary for ten years. Furthermore, the Bank now offers customers an increased opportunity to win for every KD10 as opposed to KD100 previously.

ABK encourages everyone to open an Alfouz draw account and/or increase their balances to have more chances in winning in the upcoming weekly draw

Industry experts evaluate Capstone Design projects

AUK unveils Spring '24 Capstone Design Exhibition

KUWAIT CITY, June 6: The Art & Graphic Design Department at the American University of Kuwait (AUK) launched its Spring 2024 Capstone Design Exhibition which took place at the University's exhibition center. The exhibition offered senior students an opportunity to display their creative work, which covered a range of themes, including social and cultural awareness, corporate identity, and entrepreneurship.

The exhibition ran for one week and participating students were evaluated by industry experts based on their creativity and presentation, their ability to conduct and use graphic design research strategy effectively, and their ability to plan and implement a compelling graphic design display.

Acting Chair of the Art & Graphic Design Department, Dr. Fahad A. Dhawi, commented on the exhibition and what it represents, "This year was exceptional as we hosted our Spring 2024 Capstone Exhibition Event in-house, providing a wonderful opportunity for students, faculty, and visitors to see students' work and experience our campus and the new exhibition center in the G-Building. It's inspiring to see AUK's commitment to student potential. This year's capstone proved that we are stronger and bolder as a community when we collaborate. On behalf of the department, we extend our heartfelt appreciation to the president and the dean of the College for their continued support."

Held biannually, the Capstone Design Exhibition brings

together visitors from graphic design studios, publishing houses, film and video production companies, advertising, and multimedia firms.

Commenting on the success of this year's exhibition, capstone professor, Rita Merheb, stated, "In today's rapidly evolving graphic design field, our students have embraced these advancements, ensuring they are well-prepared for industry demands. Their projects highlight the importance of staying current with technological trends. The Capstone Exhibition provides a unique opportunity for the public, including industry professionals and potential employers, to witness the future of graphic design through our talented graduates' eyes."

Sharing the same sentiment was capstone professor Nadim Matta, "This year's capstone event was a successful collaboration based on the feedback of all faculty members of the Art and Graphic Design Department. Students explored in their design journey across different projects multiple themes and creative outputs that tackled real-life problems and aimed at providing creative, original and compelling visual solutions. The student's work reflected their creative, cultural and visual maturity as they progressed in their mode of study to reach their capstone project". AUK's Graphic Design Capstone Exhibition presents an opportunity for senior students to fully incorporate their design strengths and learning into a focused and extended process of research and visual expression.
